---

“Give your guests a truly remarkable sleep experience they won’t forget.”

---

Hi,

I’m Jennifer Adams. Like you, I am a busy entrepreneur always on the lookout for the best ways to create a unique experience for my customers and clients.

For my business I travel a lot, and I’ve learned so much from the best hotels and resorts worldwide. So, I developed my successful line of easy care, durable luxury bedding, including sheets, blankets, duvets and more to create an ideal sleeping experience duplicating what I found during my travels.

And now, a special version of my buttery soft bedding is available to you through our new Jennifer Adams Hotel Affiliate Program with quantity discounts. I’ve enclosed a sample of my pillowcases so that you may see for yourself what I’m referring to when I mention luxury and buttery soft!

What’s more, your guests will be able to buy these very same sheets from you as they check out, online or by using special promo code. We’ll handle the inventory and fulfillment. You’ll earn a generous commission. All you need to do is sign up to provide this quality service!

Read on for more information and call 1-800-480-1784 to speak with our Hospitality Manager, Pam. She’ll be more than happy to get you started!

Sincerely,

*Jennifer Adams*
